

*Telling the Children of St. Pius V School  
About the Monstrance Used at Benediction*

Over the past couple of weeks, some of the priests assisted at student days of recollection at St. Pius V School on Long Island, New York, at St. Anne's Academy in White Bear Lake, Minnesota, and at Immaculate Conception Academy in Cincinnati, Ohio. The priests offered Mass for the students, heard confessions, and gave spiritual conferences. Days of recollection, which are basically one-day retreats, are of supreme importance in the formation of Catholic youth, for it is by means of these that the students' are strengthened in their love of the Faith and in their determination to combat the spirit of the world.

We are grateful for all your prayers and sacrifices and for your generous support. By means of these, you assist us to carry on the important work of training young men for the priesthood and religious life. We remember you in our daily Rosary, praying that Our Lady will protect and guide you always.
